PROFESSIONAL SUMMARY

Full Stack Developer with hands-on experience in building modern web applications using React.js, Node.js, Express.js, and databases like PostgreSQL and MongoDB. Skilled in developing responsive frontend interfaces, RESTful APIs, authentication systems, and database integration. Currently working as a Full-Stack Developer Trainee, focusing on building scalable applications and improving both frontend and backend development skills through real-world projects.

TECHNICAL SKILLS

Frontend : React.js, JavaScript (ES6+), HTML5, CSS3, Bootstrap, Tailwind CSS
Backend : Node.js, Express.js, REST API Development, JWT Authentication, RBAC, File Uploads
Database : MongoDB, MySQL, PostgreSQL, Prisma ORM, Mongoose ODM
Platforms : GitHub, Postman, VS Code
AI Tools : Antigravity, Cursor, ChatGPT

PROJECTS

Book Publisher Platform | *Node.js, Express.js, PostgreSQL, Prisma ORM*

- Built a complete backend system for managing book publishing operations with full CRUD functionality.
- Developed a backend system for a book publishing platform with CRUD operations for books, users, and orders.
- Implemented JWT-based authentication and Role-Based Access Control (RBAC) for secure user authorization.
- Built RESTful APIs for cart management, order processing, and payment workflow.
- Designed online and offline publishing modules, including vendor order generation for offline publishing.
- Integrated file upload functionality for managing book covers, thumbnails, and digital content.
- Optimized database queries using Prisma ORM for efficient and type-safe data access with PostgreSQL.
- Implemented request validation and error handling using middleware and Joi.

Personal Portfolio Website | *React.js · HTML5 · CSS3 · Bootstrap*

- Designed and developed a responsive single-page portfolio website using React.js.
- Showcased projects, technical skills, and professional information with a modern UI.
- Improved responsiveness and user experience across desktop and mobile devices.

EXPERIENCE

Full Stack Development Trainee | *StackCode Training Institute, Ahmedabad*

June 2025 – Present

- Learning and working with modern full-stack development technologies.
- Developing frontend interfaces using React.js and integrating them with backend APIs.
- Building backend applications using Node.js, Express.js, and databases.
- Gaining hands-on experience in REST API development, authentication, and database integration.
- Worked on projects including a Book Publisher Platform with authentication, RBAC, and file uploads.
- Improved understanding of application architecture, API workflows, and full-stack development practices.

EDUCATION

Bachelor of Computer Applications (BCA)

Saurashtra University · 71.97%

Kamani Science & Prataprai Arts College, Amreli
